Item 7.01 Regulation FD Disclosure

On September 29, 2016, we commenced an offer to the holders of our outstanding common stock purchase warrants pursuant to which our warrant holders will be permitted to exercise their warrants at a reduced exercise price for a limited time. As of the date of this report, there are warrants outstanding that entitle their holders to purchase 8,551,168 shares of our common stock at an exercise price of \$1.20 per share. The holders of all warrants will be allowed to conduct cash-based exercises of their warrants at an exercise price of \$0.70 per share up through October 31, 2016. We are undertaking this limited-time warrant exercise price reduction in order to raise additional capital without incurring further potential dilution to our stockholders. In addition, we hope that enough warrant holders accept the offer that we can significantly reduce the number of outstanding warrants and thereby simplify our capital structure.

Any exercise of warrants on or prior to October 31, 2016 will be made on the terms and conditions set forth in the outstanding warrant, except for the reduced exercise price. All other terms and conditions of the warrants stay the same. Our warrant holders are under no obligation to exercise any warrants at the reduced exercise price or otherwise. If our warrant holders decide not to exercise their warrants at the reduced exercise price, then following the expiration of the offer, their warrants will remain exercisable according to their terms at the exercise price set forth in the warrant.
